MEMORANDUM FOR: President, Employee Activity Association

STAT FROM : [redacted]  
Executive Officer, Employee Activity Association

STAT SUBJECT : Sustained Superior Performance Award -  
[redacted]

STAT 1. [redacted] has been employed as a bookkeeper by the EAA since May 1968. She has steadily grown in competence, knowledge and proficiency and truly does an outstanding job of keeping the EAA books and advising EAA management. While the recent Audit Report of 1980 EAA operations is the fruit of the labors of many, a large portion of the credit for this favorable report goes to [redacted] My respect for her and the manner in which she performs her work has come not only from my long-term observation of her efforts but also from the favorable comments of others. They include various members of the audit staff, a representative of the Virginia Unemployment Compensation Division, and two auditors of the Internal Revenue Service. Each has volunteered the same comment that if all books were kept in as good an order as [redacted] does for EAA, their work would be greatly simplified. STAT

STAT 2. Were [redacted] an employee of CIA, she would certainly be deserving of recognition for her sustained superior performance. Since she is an EAA employee, I believe that the Association should give her similar recognition. I therefore recommend that she be awarded \$500 as an EAA "Special Accomplishment Award" for her sustained superior performance and dedicated contribution to the Association. STAT

NOTE FOR:

I discussed the questionnaire with  who had never seen it before nor knew of it. He guessed that it was prepared by the lady who serves as secretary to the Ski Club. She spoke with him sometime ago questioning whether other "volunteers" for EAA were experiencing problems acting in that capacity.

STAT

Attachment A is the list of so-called volunteers, in that they serve as points of contact for the various EAA organizations, e.g. if someone calls Phil on the telephone and says, "I am new in the Agency and I want to find out about joining the Glee Club." Phil would put them in touch with

STAT

Because the Ski Club has over 200 members and schedules frequent activities all year long, I would imagine that the lady handling this activity would receive more telephone calls than any of the other clubs, etc.

It seems to me that this is something of a personal matter, not being conducted with the blessing of EAA, and probably not necessary. If  is aware of who drafted it, it might be better if we met with them to see just what the problem is.

Attachment B is the list of EAA contacts in other Agency buildings that you and I previously discussed.

Dear Season Seat Holder

Despite the disappointing 1980 season, we enthusiastically look forward to the coming season with our new Head Coach, Joe Gibbs and his newly recruited staff of top assistants. We believe the Redskins' 1981 offense, exciting and innovative, coupled with our proven defense, should please all Redskin fans.

In spite of inflation and increasingly higher costs, there is no change in prices this year. The enclosed invoice is for a 10-game package, including 2 Pre-Season games. Although the two Pre-Season games are optional, we hope you will show your support of the Redskins by subscribing to both of them:

Kansas City Chiefs August 7

Minnesota Vikings August 14

Please read the instructions on the invoice for the renewal of your 1981 season tickets. To retain your seats, payment in full must be made by May 15, 1981

We look forward to seeing you at all ten games in 1981.

Kind regards from the Redskin family.

Yours very truly,

A handwritten signature in cursive script that reads "Bobby Beathard".

22 May 1981

Dear EAA Member,

The EAA Board of Directors and the EAA Staff would like to extend their thanks to you for your past support.

As you know, the EAA was organized in order to provide its members with an opportunity to participate in a variety of activities and services. Along that line, we hope that you have had the opportunity to utilize our Store, participate in some or all of our athletic programs, and take advantage of the many social-cultural activities subsidized by EAA.

Many members have found our activities in the self-improvement area such as instructional classes in automobile maintenance, bridge, art, aerobix dancing, karate, etc. to be extremely beneficial.

We believe that EAA will continue to grow and to provide a series of expanding and satisfying programs.

We note that your membership in the EAA is about to expire and have attached a membership renewal application which we hope that you will complete and return.

An EAA Annual Membership still costs \$3.00, but an even better bargain is the Patron for five years at a cost of \$12.00, or a Sponsor which gives lifetime membership for a cost of \$25.00.

Thank you,

EMPLOYEE ACTIVITY ASSOCIATION
